

" Recently, Bartram Trail HS had a very successful Haiti relief concert. We employ ten custodians who are originally from Haiti and have lost family members in the earthquake. The \$2000 raised at the concert will support their families in Haiti, most of which are now homeless. I am very proud of our faculty, staff, students, and community and would like to thank them for their generous support during this event.

This month, I will continue travelling to different districts in Northeast Florida to discuss the FASA platform and the excellent "Legislative Days" that took place in Tallahassee a few weeks ago. I'd like to thank the FASA staff for their wonderful hospitality while we were in Tallahassee." **Brennan Asplen**
