

LETTER FROM THE PRESIDENT

Hello District V!

First off I would like to congratulate all of District V on a fantastic year! We have accomplished many of our goals, and I am so thankful that everyone contributed to making this year such a success. We had great success through our District V project- "Kickin' it Healthy" with healthy meal options at all meetings, and a wellness theme throughout the year. I would now like to thank West Boca High School for putting on such an amazing rally for us. There were so many exciting opportunities, new friends, and just an all around great time that I hope everyone experienced. Thanks again West Boca!

Finally, I would like to congratulate the new 2011-2012 executive board officers. Congratulations Dwyer High School, Park Vista High School, Palm Beach Central High School, John I. Leonard High School, and Royal Palm Beach High School. I wish you all the best of luck next year, and I know it will be a successful one!

Again, thank you so much for an amazing year, and I know District V will continue to be the BEST district in the state of Florida! I hope to see everyone in Pensacola for states this year!
Sincerely,

Hannah Eveleth
Palm Beach Central High School

2010-2011 REFLECTION

This year, our District promised to promote better eating habits for teenagers with our "Kickin' it Healthy with DV" pledge. At every meeting, we provided healthy energy boosting meals for our members along with nutrition facts. We also engaged our students in fun calorie burning activities such as jazzercise and yoga.

We are also very proud of our commitment to our State Project: Shine a light. Many of our schools submitted projects that they completed to service the mental and physical handi-capped. Congratulations to Lake Placid High School for their first place win in this category.
