Dear FASA Member,

The insurance programs being offered to you today are being made available to the membership on a voluntary basis through the cooperation of the Florida Association of School Administrators and American Income Life Insurance Company, a company that has a long history of serving Associations and their families.

AIL's supplemental benefits are not in competition with any group benefits through your workplace/employer and can complement any insurance policies you may already have. If you choose to take advantage of any insurance programs offered through AIL and you discontinue your membership, your benefit program is permanent and portable throughout your lifetime.

AIL can also provide you with protection and peace of mind during a qualified work lay-off because they proudly waive premiums for members during such times of hardship.

FASA has no involvement with the policy or its administration, the policy is offered and administered by AIL.

Please fill out the survey with the AIL Representative; we want to hear from you. The surveys will be returned to us to help us serve you more effectively.

We would also like your feedback, so please take a minute to complete the Officer Report form provided by the agent. Thank you for taking the time to meet with the AIL representative and remember, you are under no obligation whatsoever.

Sincerely,

Jim Warford
Executive Director
